Dear David,

Congratulations, your company was amongst the Top 20 in the nation that registered the most SureStart PLUS™ warranty jobs during 2009. You were the 12th highest in North America. And, your company also registered the most jobs in Maryland! Considering the hundreds of other eligible contractors you surpassed, that is quite an accomplishment. Thank you for your support!

It gives me great pleasure when professional companies like yours put the ShingleMaster program to good use. We appreciate your utilization of the Integrity Roof System™ and SureStart PLUS; surely, your customers are grateful as well.

In recognition of your Top 20 status, your Roofer's Rewards™ account has been credited with an additional \$500 that can be applied toward SureStart PLUS fees for jobs completed this year. Also, enclosed are a dozen hats emblazoned with an Integrity Roof System logo – these exclusive hats are only awarded to credentialed companies for extraordinary performance, so they can be worn with pride!

And, at a later date you will receive a formal commemorative award that recognizes your achievement. Please accept these items and extra Roofer's Rewards as tokens of our appreciation. Thanks again for your business and have a profitable year!

Sincerely,

Jay Butch
